Michael-

Thank you for including my legislative assistant, Kelleigh Klein in the Palm Harbor Chamber Government Affairs Committee meeting. I appreciate you discussing with her state issues that affect businesses in our community. You are doing a great job as a leader and community servant!

Please let me know if there is anything I can do to make you more successful.

Sincerely,

A handwritten signature in blue ink that reads "Johnnie".

Johnnie B. Byrd, Speaker  
Florida House of Representatives
