Dear Mr. Osadchey:

I would like to extend a heartfelt thank you for your participation in the Second Annual Elder Leadership Institute forum this year. It is because of your continued dedication and support to elders that the event was a great success! I appreciate your initiative to explore innovative ways to enhance our elder care service delivery system. We have a tremendous responsibility as trailblazers in fostering respect and celebrating the cultural mosaic of all the many faces of our elders, especially if we want to lead the nation.

Again, I thank you, and I look forward to a continuous relationship with your company as we strive to promote positive aging and Elder Ready Communities in the state of Florida.

Committed to working together for elder Floridians, I am...

Sincerely,
